

## **Creative Problem Solving with Mrs. Branch**

For 5<sup>th</sup> and 6<sup>th</sup> graders at TBS

Work with unconventional materials to accomplish extraordinary things!

We might use cardboard, toothpicks, marshmallows, clay, straws, string, tape, paper, and aluminum foil to build boats, towers, catapults, dragons, and alien beings. We will definitely use our brains to explore unexpected solutions to unusual problems.

Creativity is welcome here!

Class minimum of 5, maximum of 10.

**Thursdays (3:15-4:15pm): 1/8, 1/15, 1/22, 1/29, 2/5, 2/12**

Cost: \$90, includes all materials and 10% donation to the TBS PTO.

All registrations through ZippSlip. Please fill in the information below and bring to the first class with your \$90 check made out to Amy Branch.

Registration Due Date: 12/23

Scholarships are available, especially to those who would be parent volunteer for an entire session!

Instructor: Amy Branch, former Odyssey of the Mind Coach
